2nd Amendment

Gun control laws always fail utterly. But liberals “believe in them” – and try to impose their religious beliefs on everyone.

Carrying in Church or Synagogue

Without the necessary skill, aptitude and mental preparation, guns in the hands of teachers or congregants are a menace to everyone.

Liberalism

Did you know that most anti-slavery politicians, from Lincoln through Eisenhower, were Republicans?

Or, that the Ku Klux Klan was created as the military arm of the Democratic party?

If you live in California, you should know that one-third of the nation's welfare recipients live in your state, and one of four state residents was not born in the United States. One-half of all immigrant households receives some sort of government assistance, and one in four homeless people lives in California. VDH strikes again!

Especially for Women

Are certain models of handguns, regularly purported as "female friendly", really that? And what exactly defines that term?
